

## Course: PMP® Exam Preparation

ID 1384-PMP01

Contact Hrs./ PDUs: 21

Course Length: 3 Days

**Course Description:** This course has been designed to prepare participants to take the Project Management Institute's Project Management Professional (PMP®) exam 2015 edition. This is not an introduction to project management course. This course will review all of the material covered on the exam and provide a large number of practice questions to prepare participants to succeed.

**Target Audience:** Candidates who are preparing for PMI's PMP® certification exam. It is recommended a candidate have already achieved their 4,500 or 7,500 required hours of experience prior to taking the course. Additionally, it is strongly recommended student have completed a PMBOK® Guide based project management application course such as LGd's PM 101 at least 30 days prior to this course and have read the current edition of the PMBOK® Guide.
