

Course: PfMP Exam Preparation

ID 1384-PfMP01

Contact Hrs./ PDU's: 21

Course Length: 3 Days

Course Description: This course has been designed to prepare participants to take the Project Management Institute's Portfolio Management Professional (PfMP®) exam 2013 edition. This course assumes you already have a strong understanding of the topic and are ready to move to the next step and prepare for the certification. This course will review all of the material covered on the exam and provide a large number of practice questions to prepare participants to succeed.

Target Audience: Candidates who are preparing for PMI's PfMP® certification exam. It is recommended a candidate have already achieved their 6,000 or 10,500 required hours AND 15 years of experience prior to taking the course. Additionally, candidates must have 96 months (8 years) of professional business experience. It is recommended that candidates also have fully read the Standard for Portfolio Management - 3rd Edition.

Provided Material:

- Course Book
- Study Placemat
